REQUEST TO CORRECT CASE

Sir:

Attached is a copy of a timely filed Response that was inadvertently placed in the wrong file due to our error. Applicants request that the Response be placed into the correct file.

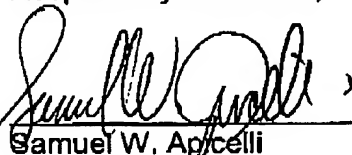

On August 1, 2005, Applicants timely filed a Response to Species Election and Amendment. However, the serial number was incorrectly identified as "10/626,270" on the transmittal and cover sheet of the response. All other identifying information was correct including the serial number on the page headers of the Response. The correct serial number should have been identified as - - 10/696,270 - -. A copy of the Response and the Auto-reply filing receipt are enclosed with this Request.

Appln. No.: 10/696,270
Docket No.: H1799-00228
Communication to Correct Case

Applicants respectfully request that the Response be removed from the incorrect file and placed into the correct file, U.S. Serial No. 10/696,270, and that the prosecution of this case be continued. No Fee is believed to be due in connection with this Request, however, if the Examiner determines that a fee is required, he is hereby authorized to charge any additional fees in connection with this matter to Deposit Account No. 04-1679.
